E-mail from Dot to Box Hill Arts Group

"Hi Eric, (Eric Harvey secretary Box Hill Art Group) Just wanted to convey to your unbelievable hard-working BHAG team, the heartiest of congratulations on a well-organised most successful Art Show this weekend. You guys got everything right and your years of experience putting on this incredible event showed. Thank you so much for allowing Whitehorse Arts to be part of it, and I must apologise that not many of our members were there to help you in the set-up or bump-out. We need to get on their case about that. However, we really appreciate having the opportunity to exhibit at such a great venue and we acknowledge the great team that you have at BHAG.

Thank you again so much and congratulations once more.

Kindest regards, Dot Browne"
